By signing below, I acknowledge that I am willingly consenting and agreeing to the following:

⊗ **THE INTEGRITY OF CONFIDENTIALITY.** I whole-heartedly commit to showing up, opening up, and leveling up during the group-process-work portion of this odyssey and I will hold all identities, stories, data, and dealings within this community as both sacred and confidential. I am my word.

⊗ **THE INTEGRITY OF CONNECTIVITY.** I consent to my cell phone number being used in a group text-thread for process work, writing assignments, and recipes. I will use the contact details of others responsibly and will communicate respectfully. (And I can choose to opt out of the thread at any time). I agree to contribute positively to the group and aim to liberate myself from story (rather than using the group thread to further embed old or destructive narrative). I acknowledge that this is an opportunity to feed and be fed by a healthy, happy, hive of truth seekers.

⊗ **THE INTEGRITY OF RESPONSIBILITY.** I acknowledge that this cleanse is 100% voluntary and in no way replaces medical treatment of any kind. I acknowledge that I am my own best healer, teacher, physician, and advocate and thereby, I am solely responsible for the supplements, foods, tinctures, treatments, attitudes, and advice I choose to take. I am at choice in all aspects of my beautiful and r/evolutionary life and I respect the choices of others within this circle. I hereby acknowledge that even though I may be a work in progress, I am also a grown-ass adult who is happy to be here—and happy to receive reflection and feedback from other wise and loving grown-ass adults. Word. Aho. And all that Jazz. Now let's get to work. ☺

I, the cardholder, authorize the amount specified above to be charged to my credit card. I understand it is non-refundable and non-transferable even in the event of cancellation or discontinuation of cleanse.
